A Naturalist amid Tropical Splendor University of Iowa Press

November 5th, 2018 - A Naturalist amid Tropical Splendor is a beautifully written account of life especially about bird behavior in tropical America and it is full of fascinating tidbits about hummingbirds oropendolas castlebuilders and more It rests squarely on the ornithological expertise and patience with such beautiful unusual and little known species Skutch's statement poses the eternal question of our place in nature our right role and our value for that web of connectedness
